appear to have been sanctioned in the P. W. Department

2) Again there has not been uniform procedure as regards the adjustment of the Charges relating to the Water Supply.

The comptroller was requested to place the necessary funds at the disposal of D.P.W in 1911-12. In 1912-13 a reappropriation of funds was sanctioned while the charges of 1913-14 were authorized to be omitted in the accounts for that year.

3) In accordance with G.O.N°. 8979-81 dt 16.3.09 LB 87-08-10 the Sanitary Board are liable only for the actual expenditure incurred and the necessary amount has to be provided under Civil Charges as per G.O.N°. 3660-3/LB 57-11-11 Dated 14.11.11.

4) Under these orders the proper course appears to be that the President Sanitary Board Shows as soon as the estimate is sanctioned by Govt in the L.F. Deptt issue a cheque in favor of the D.P.W for the amount estimated at the begin of the year. At the end of the year the President Shows obtain from the Executive Engineer Water Works Deptt, a Statement of the actual expendit incurred and the excess or deficit over the Sanctioned estimate should be adjusted by ~~book~~ Re.

(12) The annual maintenance estimates of water supply installations maintained by the Public Works Department and for which provision is made in the Public Works Budget are sanctioned by Government in the Public Works Department. But the estimates for water works managed by this Department, on behalf of Municipalities, such as Shimoga and Harihar, are usually sent up for sanction to Government in the General and Revenue Departments, because the funds required to meet the estimated expenditure are not administered by this Department. The same course was being hitherto followed as regards the estimate for the maintenance of water supply to Robertsonpet.

2. (13) If the procedure suggested in the - - - Comptroller's Note dated the 30th August 1914 - - - (Para 9) be followed, in respect of the adjustment of charges, the estimates will have to be sanctioned by the Public Works Department as in the case of "Contribution Works".
